We have been asked several times when the new Methodist church will be built. We could not answer, in fact we do not know whether it is to be built at all, as we believe the \$30,000 has not been raised. Will the stewards get together and decide what is to be done in the matter, so we may inform the people? It has gone out all over the country, yes all over the state, that Jackson is to have a \$30,000 Methodist church. Is it true?

Perfection can only be attained in the physical by allowing nature to appropriate and not dissipate her own resources. Cathartics gripe, weaken—dissipate, while DeWitt's Little Early Risers simply expel all putrid matter and bile, thus allowing the liver to assume normal activity. Good for the complexion. Sold by W. A. Trickey, druggist.

The L. T. L. of Jackson met at the residence of Mayor Hays last Friday night. They organized with about 25 members and the Legion was named the Shaner L. T. L., in honor of Miss Roena Shaner, one of the most earnest W. C. T. U. workers in the state of Missouri. This organization is a good educator for the boys and girls, who enlist.

The soothing and comforting effects of DeWitt's Witch Hazel Salve, when applied to piles, sores, cuts, boils, etc., subdues pain almost instantly. This salve draws out the inflammation, reduces swelling and acts as a rubefacient, thus circulating the blood through the diseased parts, permitting or aiding nature to permanently remove the trouble entirely. Sold by W. A. Trickey, druggist.

The Southwestern Realty & Improvement Co. have purchased about 45 acres of land near Farmington, paying over \$200 an acre for it. They are making it possible for any one of limited means to buy a good lot on easy terms and near a good growing town. They select no others in which to work.

Three young Americans of Jackson decided last Saturday that there were better places than home, and Saturday night they left for parts unknown. Let them go up against the realities of life for a while and like the "Prodigal", they may conclude some time to "Arise and go to their father."

Died, at his home in this city, yesterday morning, of consumption, David J. Hamilton, aged about 60 years. Mr. Hamilton was a blacksmith and worked at his trade up to about two years ago. Indigestion is easily overcome by the use of Kodol Dyspepsia Cure, because this remedy digests what you eat and gives the stomach a rest—allows it to recuperate and grow strong again. Kodol relieves indigestion, belching of gas, sour stomach, heart burn, etc., and enables the digestive organs to transform all foods into the kind of rich red blood that makes health and strength. Sold by W. A. Trickey, druggist.

There is no more dangerous complaint than Croup with children, and it is very necessary that a remedy should be at hand to check the disease when it first appears. Dr. Classes' Cough Syrup will be found a safe guard against this complaint. It loosens the phlegm, clears up the throat, and gives immediate relief. It is as pleasant as honey to the taste, and a child will take it without trouble. The mother who knows the value of this Syrup will not be without it, for it saves the child from suffering, and herself much anxiety.

Sold by all Dealers.
